

## Mapping Your Financial Journey: Helping Adults Plan for College

by National College Transition Network &  
National Endowment for Financial Education

Adult learners in the New England ABE-to-College Transition Project, and adults around the nation, identify financial concerns as their greatest barrier to college.

*Mapping Your Financial Journey* is designed to address this financial concern of adult learners. This free 56-page publication contains financial planning worksheets, and information about money pitfalls like scholarship frauds. It also contains resources for financial aid, and tips for a successful college experience.
