

GED Bridge to College and Careers Programs

Get your GED and go to college or start a new career!

Develop your reading, writing and math skills in preparation for the GED exam and college studies, while focusing on a career path with LaGuardia Community College's **Bridge to College and Careers Programs**:

*GED Bridge to Business * GED Bridge to Health * GED Bridge to College and Careers*

Career-Related Coursework

Develop your academic skills through career-related class work, assignments and readings. Classes meet for nine hours a week.

Career Pathways Exploration

Discover your career options. Besides career-related coursework, you will also complete a computer-based career interest and skills inventory. You will learn about high-growth industries, professional occupations and the connection between school and work, and college options.

Who is eligible to apply?

Applicants must be 19 years or older and plan to pursue a career in health or business or have interest in exploring college and career options.

College Readiness Activities

Get ready for college with activities such as conducting research and persuasive essay writing; creating course portfolios and e-portfolios; participating in LaGuardia's Common Reading; visiting college classes during "College Student for A Day;" and attending financial aid and college knowledge workshops.

Transition Advisement and Support

As a GED Bridge Program graduate, you have access to continuous transition advisement and support as you progress to college or certification programs. This includes assistance with applying to college and/or certificate programs, financial aid guidance, educational case management, academic advisement and tutoring.
