

CAREER PATHWAYS E-GUIDES

Using Your International Education in the U.S.

These free e-guides for the fields of nursing, education, engineering, architecture, and accounting are designed to help immigrants use their international education and training in the United States.

Each e-guide includes:

- Strategies for achieving career success
- Licensing and certification requirements
- Worksheets and guides
- Links to helpful resources

Find all the guides at: [wes.org/gtb](https://www.wes.org/gtb)

Our Expertise. Your Success.
